Fund Raising Golf Day @ State Mines Golf Course!

We will be holding this golf day to raise funds for the building of our new den at Crows Nest scout grounds. We have estimated that the total cost of the project will be about R85 000. Over the past few years we have raised about R35 000 to get the project started but this leaves us with a large shortfall. Our committee has planned to run a jumble sale, barn dance, bingo evening, two golf days, an old boys' reunion and a car rally during the year to raise money. Sadly these events are usually supported by the same people who helped us to raise the R35 000 and would be appreciated if the community as a whole could assist an organization that does a wonderful job of teaching boys and girls from all of Boksburg's communities life and leadership skills and ethical values. While we are very aware that times are hard (many of our parents are battling to find our modest annual subscriptions) these are the very times that the community should make an investment in the future – our youth!
