Member of the World Organisation of the Scout Movement

16th March 2010

We are having a "Skills Camp" at Gilwell from the 9th April to the 11th April. On this camp we will be doing Abseiling, Rock-climbing and hiking. The scouts will also practice making a 3-course meal over a fire.

I would like all scouts to attend as the patrols will be camping separately and they will need each member in order to make a success of the camp. It will also serve as a very important bonding experience.

Each scout will also have an opportunity to achieve some form of advancement, no matter what level they are on.

We will meet at 3pm Friday afternoon at Crow's nest, in **full scout uniform**, and will arrive back at Crow's Nest at 1pm on Sunday.

It would be appreciated if the scouts could help with the packing for the camp on Thursday evening. The more scouts we have the faster it will go.

The cost of the camp is R120. Please find attached copies of the 2nd Boksburg St Michael's consent form.

Yours in Scouting

Liger
